Children’s Pavilion

St Paul’s Catacombs

Have you ever thought of holding a day of lessons in a historical setting? What about a children’s party in the heart of Maltese history? The Children’s Pavilion at St. Paul’s Catacombs represents the ideal location for such events.

St.Paul’s Catacombs are a typical complex of interconnected, underground Roman cemeteries that were in use up to the 4th century AD. They are located on the outskirts of the old Roman capital Melite (today’s Mdina), since Roman law prohibited burials within the city.
