Grunenbergh’s Bastion

Fort St Angelo

No other fort or location can offer more beautiful views of the Grand Harbour and the three cities and Grunenbergh’s Bastion is one of the most significant of locations within the fort. Why not say your “I do” or hold your event here? The venue is one which will give your event that cutting edge no other venue can.

Fort St Angelo’s intrinsic value for the Maltese Islands and their people has no comparison. It may not be the oldest, grandest or finest stronghold, but it surely is the boldest memorial of the strategic importance of these tiny islands, and of the innumerable lives sacrificed for their dominion since time immemorial.

Control of this fort meant effective rule of the Maltese Islands during at least the past thousand years. Indeed, no other fortress has been engaged with the same intensity in the shaping of Malta’s destiny.
